The Booster Club is very proud of our athletes and the programs Shelby High School has to offer. Thanks to community support the Booster Club has been able to help Shelby High School athletic programs over this past year with projects such as donating to the purchase of the marquee, nutritional information, speed & agility equipment, cheerleading pom-poms, weightlifting shirts, and scholarships. Booster Club also continues to sponsor other activities that support our coaches and players such throughout the year. We could not achieve all of our goals without your support and membership!

The Shelby Booster Club meets each month with the next meeting on **Wednesday, August 16, 2017 at 7:00 pm** at the Ringside Ribs. We encourage parents and other community members to attend whether you are a current booster member or are just considering joining the fun.

We have an amazing group of young student athletes who will be spending the summer working out in the weight room and attending camps and tournaments so they can compete at the highest level next season. Let's do our part to make sure they have the resources they need to make it to the next level. We are excited to get a jump start on the booster program for the 2017-2018 sports season. Thank you for being such a great supporter of Shelby Booster Club.
