

Shelby Public School District #14

School-Parent-Student Compact

School Responsibilities:

- Create a welcoming and positive learning environment for students and parents.
- Hold annual meetings in the form of an open house and parent-teacher conferences to inform parents of the school's programs and curriculum. These meetings will be held at convenient times, based on input from parents, so that as many parents as possible are able to attend. The school invites all parents of children within the school to these events, and will encourage them to attend.
- Frequently assess students and provide ongoing feedback to parents, in formats easy to understand and at reasonable intervals, on how the student is progressing academically.
- Provide opportunities for parents to participate in decisions about the education of their child/ren through discussions with teachers and administration.
- Classroom teacher will give each parent a student report at the completion of each grading period.
- Ensure that all certified and classified staff members are highly qualified.
